## Special Events

**Patrons Wine Tasting:** This Friday evening social event honors Patron members who support the festival each year. Twenty or more Valley wineries pour their quality wines and local food purveyors provide tastes of Sonoma's specialty food products. **By advance reservation only!**

**Blessing of the Grapes:** In front of the historic Sonoma Mission, prayers are offered for a bountiful harvest, marking the traditional opening of the festival.

**Pageant of Sonoma:** This hour-long musical recalls Sonoma's history. From Chief Solano and the Suisun Indians of the valley, to the illustrious Gen. Vallejo and the romantic Mexican era, to the arrival of Count Haraszthy, the father of California wine, Sonoma turns in statehood to a melting pot where the old meets the new. The 1863 Vallejo-Haraszthy double wedding, a grand Sonoma celebration, is the finale. **Admission fee.**

**Bear Flag Revolt:** On July 14, 1846, 30 horsemen rode into Sonoma, captured and arrested the Mexican Commandante, General Mariano Vallejo. They took down the Mexican flag and raised the first flag of the California Republic.

**Grape Stomp:** Teams of two people each, a barefoot stomper and a swabby, compete to see how much juice they can extract in three minutes from 25 pounds of grapes in a barrel. An event not to be missed!

**Plaza Wine Tasting:** Under colorful banners and canopies, local premium wines are available for purchase in a commemorative appellation blue stemmed wine glass poured by members of the Sonoma Valley Vintners and Growers Association.

**Firemen's Water Fight:** Local fire departments compete for a perpetual trophy using fire hoses, a steel barrel, and forceful streams of water. Prepare to cool off!

**Children's Parade:** On Saturday, Indians, Spanish señoritas, trikes and bikes, and little grape clusters parade down Spain Street providing entertainment for children.

**The Big Parade:** On Sunday, a special Grand Marshall leads an exciting and creative procession of floats, bands, horses, decorated tractors and vintage vehicles, dancing grapes and more.

## Welcome to Sonoma Valley

THE VALLEY OF THE MOON VINTAGE FESTIVAL, first held in 1897, has been a community celebration for 46 consecutive years. While the primary attraction is the grape harvest and all of its surrounding lore, an important emphasis for Festival events is to share the history and community experience that makes Sonoma Valley so special. Bring your family and friends and join us for:

- a glimpse into Sonoma Valley's past with historic presentations on and near the Plaza
- a taste from the quality 'fruit of the vines', grown and produced in our distinctive climate
- continuous musical entertainment
- pony rides, clowns, juggling, puppets, balloons and more, to delight the children
- community project booths offering games, food and drink
- parades for children and adults of all ages

### A Special Thanks...

to the hundreds of Sonoma Valley and Bay Area Patrons who support the Vintage Festival each year. Without their help and donations, this festive community celebration of Sonoma's winemaking history would not take place. And, a very special thank you to our Valley wineries who take time from the busy crush season to pour their premium wines for the Patrons and the Plaza wine tastings.
